Minimax Certification Training Program April 24 - 26, 2018 Hampton Inn & Suites – Atlanta Galleria

MX 1230 and MX 200 Fire Suppression System Training RP-2002 and MX-320 Agent Release Panel Training

Minimax Fire Products is pleased to announce two Certification Training Programs for MX1230/MX200 Fire Suppression Systems and RP-2002/MX-320 Agent Releasing Control Panels. Training will be held at Hampton Inn & Suites – Atlanta Galleria in Atlanta GA, Tuesday, April 24 through Thursday, April 26, 2018. Attendees will receive a comprehensive overview and working knowledge of Minimax Clean Agent Suppression Systems and Conventional and Intelligent Releasing Control Panels. Suppression System Training attendees will receive a temporary three-month license for “DesignManager”, and those attending the Agent Release Panel Training will receive Minimax VeriFire® Tools software v9.0.

Per-person fees for these sessions are \$300 for Fire Suppression Systems Training and \$450 for Agent Release Panel Training.

The training agenda and enrollment form can be found at www.minimaxfp.com/events/events. Seating is limited, so early registration is recommended. **Please note: this training is available only to authorized Minimax distributors.**

All travel and lodging arrangements are at the expense of each attendee. Refreshments will be provided each day. Accommodations are available at Hampton Inn & Suites.

If you have any questions regarding this training, schedule, attendance, or registration, please do not hesitate to contact your Regional Sales Manager. You can also email us at mxtechsupport@minimaxfp.com. We look forward to seeing you in Las Vegas!

REGISTRATION DEADLINE IS MARCH 23, 2018.
