Minimax Fire Products is pleased to announce two Certification Training Programs for MX1230/MX200 Fire Suppression Systems and RP-2002/MX-320 Agent Releasing Control Panels. Training will be held at the **Springhill Suites 2363 Stemmons Trail – Dallas, TX** Tuesday, November 6 through Thursday, November 8, 2018. Attendees will receive a comprehensive overview and working knowledge of Minimax Clean Agent Suppression Systems and Conventional and Intelligent Releasing Control Panels. Suppression System Training attendees will receive a temporary three-month license for “DesignManager”, and those attending the Agent Release Panel Training will receive Minimax VeriFire® Tools software v9.0.

Per-person fees for these sessions are \$300 for Fire Suppression Systems Training and \$450 for Agent Release Panel Training.

The training agenda and enrollment form can be found at [www.minimaxfp.com/events/events](http://www.minimaxfp.com/events/events). Seating is limited, so early registration is recommended. **Please note: this training is available only to Authorized Minimax Distributors.**

All travel and lodging arrangements are at the expense of each attendee. Refreshments will be provided each day. Accommodations are available at the **Springhill Suites 2363 Stemmons Trail, Dallas, TX.**

If you have any questions regarding this training, schedule, attendance, or registration, please do not hesitate to contact your Regional Sales Manager. You can also email us at [mxtechsupport@minimaxfp.com](mailto:mxtechsupport@minimaxfp.com). We look forward to seeing you in Hastings!

**REGISTRATION DEADLINE IS October 8, 2018.**
