Minimax Certification Training Program
August 7 - 9, 2018
Minimax Viking Training Facility – Hastings, MI

MX 1230 and MX 200 Fire Suppression System Training
RP-2002 and MX-320 Agent Release Panel Training

Minimax Fire Products is pleased to announce two Certification Training Programs for MX1230/MX200 Fire Suppression Systems and RP-2002/MX-320 Agent Releasing Control Panels. Training will be held at the Minimax Viking Training Facility in Hastings, MI, Tuesday, August 7 through Thursday, August 9, 2018. Attendees will receive a comprehensive overview and working knowledge of Minimax Clean Agent Suppression Systems and Conventional and Intelligent Releasing Control Panels. Suppression System Training attendees will receive a temporary three-month license for “DesignManager”, and those attending the Agent Release Panel Training will receive Minimax VeriFire® Tools software v9.0.

Per-person fees for these sessions are \$300 for Fire Suppression Systems Training and \$450 for Agent Release Panel Training.

The training agenda and enrollment form can be found at www.minimaxfp.com/events/events. Seating is limited, so early registration is recommended. **Please note: this training is available only to authorized Minimax Distributors.**

All travel and lodging arrangements are at the expense of each attendee. Refreshments will be provided each day. Accommodations are available at the Hastings Holiday Inn Express.

If you have any questions regarding this training, schedule, attendance, or registration, please do not hesitate to contact your Regional Sales Manager. You can also email us at mxtechsupport@minimaxfp.com. We look forward to seeing you in Hastings!

REGISTRATION DEADLINE IS JULY 6, 2018.
